

August 2022 Gas Supply Charge

Effective August 1, 2022, the Off-Peak Gas Adjustment Factor (GAF) will decrease from the current charge of \$1.2281 to \$0.8418 per therm. This decrease is the result of lower gas costs. The cost of gas is a straight pass through cost in which Liberty makes no profit.

Information about the adjustment, current rates, energy savings and assistance programs can be found at libertyenergyandwater.com.

If you are facing financial uncertainty, we urge you to call us at 1-508-883-9516 to discuss payment options and available assistance programs.

Energy Efficiency

If you already had a home energy assessment, received recommendations for insulation or equipment upgrades, and you think you are eligible for enhanced incentives based on your income, apply online (masssave-qualify.clearesult.com) to start the easy, no-cost income verification process. Or call 1-888-714-3990. Be sure to check your eligibility **prior to** moving ahead with the recommendations.

For quick approval, please have the following items handy when you call:

1. Your utility heating or electric bill
2. Proof of income for all household members ages 18 and over
